This product contains MOLLE webbing that will allow you to attach other pouches using the MOLLE system.

PRODUCT DESCRIPTION

The Warrior Elite Ops NSR (Non Slip Retention) pouch holds 3 x 5.56mm mags and incorporates a non slip lining which holds the mags firmly in place. The lining performs under even the most adverse conditions. Quick access to the mags can be prepared for by either rolling back the mag lid or placing it down into the pouch behind the mag.

Each pouch has 2 MOLLE arms at the rear for attachment and takes up 2 horizontal rows of MOLLE.
